ANSH MANENDRA TIWARI

SOFTWARE ENGINEER (FRESHER)

tiwariansh2508@gmail.com +91-8329417196 Nagpur, Maharashtra, India
www.linkedin.com/in/ansh-tiwari-718b27334

PROFESSIONAL SUMMARY

Results-driven **Software Engineer (Fresher)** with a strong foundation in **Core Java, OOP, DSA, Spring Boot, REST APIs, and PostgreSQL**. Experienced in developing full-stack web applications using **Java, Spring Boot, React, and database technologies**. Strong understanding of **software development, backend engineering, JWT authentication, role-based authorization, and RESTful API integration**, with a passion for building scalable, secure, and reliable software solutions. "'

PROFESSIONAL EXPERIENCE

PRANJAL TECHNOLOGIES PVT. LTD.

Nagpur, Maharashtra, India

WEB DEVELOPER INTERN

Jun 2026 – Present

Project: Helping Hand **Client:** Pranjal Technologies Pvt. Ltd.

Role(s): Full-Stack Developer **Technologies:** Java 21, Spring Boot, React, PostgreSQL/PostGIS, JWT, WebSocket, STOMP

Responsibilities:

- Developed a full-stack community help and emergency-assistance platform that enables users to **post, discover, and accept nearby help requests** through a map-based interface.
- Implemented secure backend functionality using **Spring Boot, Spring Security, JWT authentication, and PostgreSQL/PostGIS** for user management, request handling, and geospatial nearby-request discovery.
- Implemented **privacy-preserving location access**, ensuring approximate locations are shown initially while exact locations are revealed only to authorized helpers after accepting a request.
- Integrated **WebSocket/STOMP real-time communication** for request status updates, helper activity, notifications, and live location tracking.

TECHNICAL SKILLS

Languages: Java, C++, SQL

Core Java: OOP, Collections, Exception Handling, Multithreading, File Handling, JDBC

Frameworks & Tools: Spring Boot, Spring Security, Maven, Git, GitHub, IntelliJ IDEA, VS Code, Postman

Database: PostgreSQL/PostGIS, MySQL, DDL, DML, Joins, Subqueries, Aggregate Functions, Normalization

Web: HTML5, CSS3, JavaScript, React, DOM Manipulation, Event Handling, REST APIs, WebSocket, STOMP

Concepts: DSA, Problem Solving, JWT Authentication, Role-Based Authorization

PROJECT

Project: Online Examination Platform **Client:** Personal Project

Role(s): Java Developer, Full-Stack Developer **Technologies:** Java 21, Spring Boot, React, PostgreSQL, JWT, REST APIs

Responsibilities:

- Developed a full-stack online examination platform with separate **Admin and Student roles**, implementing exam creation, question management, answer submission, and automatic result generation.
- Implemented **JWT authentication and role-based authorization** with Spring Boot REST APIs and PostgreSQL, ensuring secure access and reliable examination data management.

Project: Chess Game **Client:** Personal Project

Role(s): Front-End Developer **Technologies:** HTML5, CSS3, JavaScript, DOM Manipulation

Responsibilities:

- Developed an interactive browser-based chess game implementing complete chess rules, including **castling, en passant, pawn promotion, valid move validation, and check/checkmate detection**.

- Built a responsive and interactive UI with **drag-and-drop and click-based gameplay**, featuring legal move highlighting, illegal move prevention, and modular JavaScript game logic.

CERTIFICATE

Introduction to Full-Stack Web Development Apr 2026

Project-Based Course. Built a full-stack web application integrating React frontend with Spring Boot REST APIs. Implemented user authentication, CRUD operations, database integration, and API communication.

Introduction to SQL Mar 2026

Online Course. Developed proficiency in DML queries, complex JOINs, subqueries, aggregate functions, GROUP BY, HAVING, and ORDER BY. Learned database normalization from 1NF to 3NF.

Introduction to Front-End Development Nov 2025

Simplilearn SkillUp. Built responsive web interfaces using HTML5, CSS3, and JavaScript. Practiced Flexbox, Grid, media queries, DOM manipulation, and event-driven programming.

EDUCATION

MASTER OF COMPUTER APPLICATIONS (MCA)
S. B. Jain Institute of Technology, Management & Research 2025 – 2027

BACHELOR OF COMPUTER APPLICATIONS (BCA) – CGPA: 7.23/10
St. Francis De Sales College 2022 – 2025

CLASS XII – SCIENCE STREAM – 72%
Hislop College 2022

SOFT SKILLS

Problem-Solving • Communication • Team Collaboration • Adaptability • Time Management
